Welcome back to everyone for what promises to be a very busy and exciting final half of summer term! Please ensure that you keep up to date with events and important dates for your diary.

In the sunny weather, children will need to come to school with a water bottle and with suncream already applied (older children can top themselves up if necessary). Children should also bring a lightweight coat in every day, so that they are still able to play outside if there are light showers or the day becomes chilly.

Happy's Circus – Thank you!

We would like to say a tremendous thank you to everyone for their donations, ticket purchases and support which made our visit from Happy's Circus such a great success! Not only was it a wonderful experience for local families, we managed to raise an amazing £2,400 towards the PTA school fund. A special thanks to our fantastic PTA and the staff for all their hard work in organising the event.
